White House Education Programs

Teachers of 4th through 6th grade are invited to take part in a professional development workshop, focused on exploring three new lesson plans. During these workshops, educators and others will provide participants with background information, hands-on experience, and instruction, using new lesson plans that complements White House programs and its under told stories, both historical and environmental. At the completion of the workshop you will be able to select a date for your **on-site program**.

Topics include;

- * Paul Jennings early life, time in the White House and after the Madison's Administration lessons
- * Garden & Climate Change and Pollinators at the park and the White House lessons & experiments
- * Exploring the White House Visitor Center

General Information:

- * Registration and light refreshment starts at 8:00 am
- * It is recommended that you bring a bag lunch and we are only allowing 30 minutes for lunch.
